OK, thanks, all is well. Wow! I am so impressed! Nice job with the website and even the message board!

I still have to send my gold member certified story & picture.

So are you still in need of volunteers? At first glance it looks like you do not need any, but I want to be sure. I would love to help if needed...

Diana,

Thank you so much for such great instruction and training. I really learned a lot from you and have been able to better myself as an instructor. If you could send me any information or advice on how to proceed with the Personal training in the water I would appreciate it.

Thanks again,

Julie,

Just wanted to thank you very much for a wonderful conference in OC, MD. It was a lot of fun and educational. Your mom is really terrific and inspiring. I'm really hoping to sign up for your trainers program in the near future.

Thanks again,

Tina (Virginia, USA)
