To whom it may concern at WaterArt

Yes, I did complete my practical with Patty (Jackson) on Sunday May 29/07 in Barrie Ontario at the East Bayfield Community Complex!

Further to that, I would like to commend Patty leading/instructing an excellent course. It was fun, motivating and informative. The course moved along at a good pace with time for discussion, questions and answers. You barely noticed the time go by. I would recommend courses that she instructs to anyone.

Thanks

Julie, your class was awesome I learned so much from you. My ladies do like the change, which surprised me. Thank you so much. I'm looking forward to taking some more classes in the future.

I love the change I have gotten 11 good comment cards in the last 3 days of me teaching saying they all love the change and feel good. One lady said that her pain has gone away due to her posture changing. All I can say is it was worth me taking this class.

Thank you

Thank you; it was a great workshop in Myrtle Beech. I have a question about the dance portion that Drucilla did; what was the first song of the class?

Julie,

I wanted to let you know that I really enjoyed the MB conference, attending the WaterArt workshop Thursday and meeting you. I think the APFA presenters were great - all very knowledgeable. Thanks for everything!
